LETTERS TO THE LOUNGE

Send your Lounge Suite letters to... contact@paulraymondmedia.com

There's £50 for every letter we print!

Dear The Lounge,
'Letters to the Lounge' is my favourite section of Club, they are the pages I always turn to when I need a wank. I've often fantasised about taking it up the arse, but it's only recently that I got my first opportunity to try it for myself, because there seem to be a lot of men out there who find the

whole idea pretty disgusting. You see, I'm a physics professor, the only female teacher at an all boys boarding school and the only guys I get to meet at work are middle-aged and very traditional. I just can't imagine any of them having an exciting sex life and I've certainly never heard anything said in the staff room that would make me think otherwise. (Come to think about it, they're probably more the types who would like to slip their cocks up each other's bum! Still, each to their own...) There are the sixth form students of course, who are no doubt raging with hormones all the time. It's obvious that plenty of them fancy the pants off me, but there are certain things a good teacher absolutely must not do.

That's why I was delighted to find a certain ex-student of mine waiting for me outside the staff room one day recently. We had some polite conversation and he told me he'd got into the university we'd hoped he would. I said that I was pleased for him, but I could also tell by the look in his eyes that really

wasn't what he was here for.

I reminded him about some course work of his that I still had and which he might want back and asked if he would like to come to my office to take it away with him. He jumped at the chance and followed me down the hallway. Even as I walked in front of him I could feel his eyes looking me up and down,

"...the length of his hard cock as I pumped the full length into my mouth."

dying to know what I looked like under my lab coat. And if I wasn't completely mistaken there was an ever-increasing bulge in his jeans.

We reached my office and I shut the door firmly behind us, then wasted no time in letting him know what I thought he was really here for. The lad showed no resistance as I pinned him back against the door, kissing him fiercely and running my hands along a definite bulge in his pants.

"I've got a deal for you," I told him as I slowly undid his fly, revealing a hard cock that was bigger than I'd imagined. "I'll give you the best blowjob of your life – if you fuck my ass."

His cock became even harder!

"Okay Miss," he said nervously. "I've never done it before, but I'll try..." I wasted no time and dropped to my knees before he'd even finished the sentence. He stopped talking immediately and began to groan softly. His hands were on my shoulders, guiding me. I swirled my tongue around the head of his cock, tasting the delicious pearly pre-come that had already formed there. My hand found its way to his balls and I caressed them gently, feeling him slowly rock backwards and forwards,

pushing his cock into my mouth, a little bit harder every time. His hands tightened their grip on my shoulders and I sucked harder, running my tongue up and down the length of his hard cock as I pumped the full length into my mouth.

He was gasping louder now and I could tell he was really close to coming, so I let go of his hardness and stood up, pulling off

my lab coat as quickly as I could. I watched him wank his dick as he in turn watched me undress, which really turned me on. I could feel my pussy moistening up at once. I was wearing no underwear and he looked really

surprised, but pleased. I got down on my knees to give his cock one last lick before I got my treat and then said, "Go on, fuck my ass."

He looked nervous, but mumbled his agreement. It really gave me a kick to hear this sexy guy still calling me 'Miss', even though I wasn't his teacher anymore. I got into the doggy position and looked over

my shoulder at him. He was wanking his cock with one hand and his other hand was moving straight towards my little, swaying ass.

I gasped as I felt his finger enter me. It felt so much better than having my own finger up there and much better than even I'd dared imagine and it hurt much less too! He began to pump it in and out, slowly building up speed, and I found myself panting heavily within a few seconds. He put another finger in and I almost cried out in pleasure. What a dirty slut I was, about to be fucked up the ass by a much younger man - and my ex-student at that! The idea of it only turned me on even more and I could feel my pussy dripping.

Suddenly I felt a wet warmth in my ass and I realised he was now licking it, with two fingers still inside. I could hardly control my moans and I stuffed the sleeve of my lab coat into my mouth.

"Fuck me, please!" I gasped, desperate to feel his big, hard penis inside my tight arsehole. He quickly placed the tip of his

cock at the entrance to my ass and pushed slowly. We both gasped as it began to sink deep inside me. His cock didn't look any bigger than anything I'd taken in my pussy, but up my ass it felt absolutely huge - and it was still going in.

He began to push in and out, slowly.

"Faster, please," I begged him and he began to pump more quickly. His hands were on my hips as he pulled me towards him, and I could barely stop myself from screaming. I reached down and began to frig myself, my fingers sliding in and out of my soaking wet cunt as I moaned into my lab coat.

Within seconds I was coming, my pussy squeezing tight around my fingers. This time I really couldn't hold the screams in. He moaned as he could feel my orgasm and the sounds of my screams in turn pushed him over the edge. My arsehole was filled with his hot white come. The feeling was intense. I had never had spunk deep in my arse, but it was a feeling that filled me with a warm sexual glow. He slowly withdrew his length from my hole and we both sank to the floor, exhausted.

We were both filled with excitement at what we'd just done, but there was a bit of an awkward silence too. I re-arranged myself and handed the course work over, gave the lad a peck on the lips and opened the door, glancing quickly down the corridor to make sure that no-one's suspicions had been aroused. The corridor was empty.

As I headed back to the staff room I decided the whole experience had definitely been even better than I'd hoped. And I'll definitely be on the lookout for willing men to try it with again from now on!

Kitty, Warwickshire.

Driving straight back in with a bit of gothic look about her this time around, Emily Bloom is ready to haunt us with her pert and shapely tits, peachy backside and shaven haven. I can think of worse things to reflect on in this life, and by the look of her, I'm sure Emily could transcend the next too.

What a heavenly gift she is!

Who's this sassy lady steaming up our lens? Well, if you don't recognise her you should, Kiki is one of a few porn stars that have achieved global fame and live the dream jetting off all over the world to work for some of the most credited names

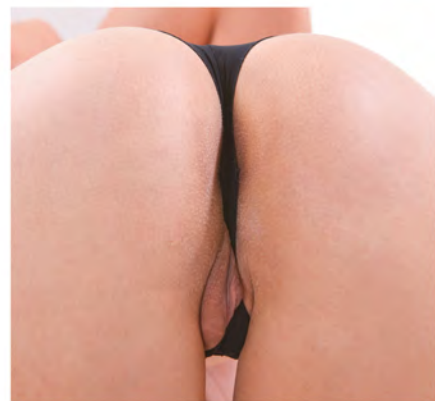

in the business while enjoying some of the most amazing places on earth. We know plenty of models who would switch places with Kiki in an instant. But you'd never know just how famous Kiki is from her down to earth nature and fun-loving spirit!

Two for the price of one, is always a bargain few can resist, and we've come to the conclusion the same applies to ladies. For who could refuse the two gorgeous ladies we have here, undressing each other with lustful intentions? We didn't think you could, as they tease each other's plump pussies with tongues and toys. And of course, we couldn't resist bringing all this glorious action to our Club readers attention. Bon appétit!

The place to be for the world's dirtiest backdoor sex stories, where every girl gets a bum deal...

BACK (DOOR) STABBER

I have always fancied Emma but unfortunately, she's my best mate's girlfriend. One New Year's Eve, the three of us had arranged to meet in the pub and when I arrived Emma was already there but Paul was nowhere to be seen. I took a deep breath and walked across to her. She is my idea of a perfect woman – a bit of a tart, pretty, blonde, tanned, slim with firm little tits and a gorgeous round arse. That night she was wearing a skirt that must have ended inches below her panties and a top that hugged her breasts like *Clingfilm*.

I said hello, bought her a drink and sat down opposite her and noticed that she wasn't wearing a bra. Her nipples were straining against the fabric of her top. I could feel my cock stirring under the table as I imagined what it would be like to take one of those hard

“They were sticky with her cunt juice and she held them for me to suck and lick clean.”

little buds in my mouth.

We were chatting for a while, when her mobile rang and she answered it. It was Paul, he'd been held up at work and wouldn't be able to make it that evening.

“I guess it's just you and me tonight then,” she said, as she moved to sit next to me. “Do you like my top?” she whispered. “It's just, I've noticed that you've been staring at it all evening or is it my tits that you've been looking at?”

I felt myself go bright red. She slipped a shapely hand into my lap and squeezed my hard cock through my jeans. I almost came there and then.

“Thought so...” she said. “How about we pick up a bottle of bubbly and go back to my place to see in the New Year, just you and me?”

I nodded, unable to believe my luck. We were soon on the sofa back at her place, snogging each other's brains out. Emma pulled my rock hard dick out of my jeans and sucked it into her mouth. I moaned in pleasure as I watched my shaft disappear between her full, red lips. She face-fucked me, her fingers kneading my balls. With a moan, I unleashed my hot come down my best mate's girlfriend's throat.

“I'm not finished with you yet,” she said, as she removed our clothes and got down on all-fours, spreading her pussy lips open. I got behind her and sank my cock into her deliciously wet, pink snatch. As I fucked her, I pushed one of my fingers gently up her puckered arsehole. She didn't even jump!

“Fuck my arse,” Emma gasped. “I've always wanted a thick dick up there.”

I pulled my cock out of her pussy and placed the well-lubricated head against her star and pushed it into her tight hole. We were both groaning with pleasure as I watched her stretched bum-hole devour the full length of my prick.

The town hall clock had struck midnight without us even noticing and, with one more deep thrust, I came, filling her arse with hot spunk. Only then did we decide to open the bottle of bubbly and get down to giving Emma what she'd probably have been getting off her real boyfriend about that time – an orgasm and, this time, a pussy full of spunk!

David, Farnborough.

FEELD WORK

Reading your 'Peaches' stories made me think about the first time I made it through the backdoor with my present girlfriend, Linda. I have always adored women's bottoms but I'm always careful not to push the idea of rear entry with a new partner, as I know how some women can be put off the idea.

I'd been going out with Linda for a few months at the time – we'd always had great sex from the start and she'd always let me touch her where I liked. She hadn't objected when I lay between her legs to lick at her cunt and clitoris and, as she neared orgasm, slipped my finger into her anus so that I could feel her hole tighten and pulse as she came. Magic! However, we never really got round to discussing the possibility of me putting anything else up there!

The matter came to a head, so to speak, quite spontaneously, last summer. Linda and I were out for the day. We'd had a pub lunch and Linda had had a couple of drinks and was nicely relaxed. It was a hot, sunny day and she looked really sexy in her light, short, summer dress and white strappy shoes. The thong she was wearing underneath only emphasised the curve of her slim buttocks as she moved.

By the time we left the pub for a drive into the Suffolk countryside I was feeling pretty

horny. Linda was aware of my mood and as we cruised through the deserted country lanes, she took off her shoes and put her bare feet up on the dashboard. Her dress fell back, revealing her shapely, brown thighs but she made no move to cover herself (she knows how much I like to look at her legs). As I drove, I reached out with my left hand to feel the soft, warm flesh of her naked thigh. She smiled at me and sighed and let her legs fall open slightly, inviting me to explore her further. My hand slipped up between her legs to feel the swell of her flesh under the tight, white material of her thong. I felt the heat and dampness of her there as her excitement and pleasure grew at my touch.

After some leisurely miles, I asked her to take her panties off. She laughed and, lifting her bottom off the seat, slid them off and threw them onto my lap. They were stained with her cunt juice and I put them to my face to inhale the smell of her sex as I drove. This seemed to arouse her further and she slipped her hand between her legs and started to play with herself. Then she reached across and placed her fingers against my mouth. They were sticky with her cunt juice and she held them for me to suck and lick clean. The

“**I pushed my dripping helmet into her pulsating arsehole.”**

taste of her was maddening, I could stand the teasing no longer!

I pulled the car through a gateway and into a quiet corner of a field. I felt mad for her now, my balls ached and I just wanted to empty them into her. We both got out of the car and she stood at the front wing as I came round to her side of the car. Her eyes fixed blatantly on my groin and the bulge that she has created. She reached out to me and we kissed deeply and passionately, her belly grinding against my hard cock as I pulled her against me. As we came up for air, I grabbed her by the shoulders, turned her round and forced her down across the bonnet of the car. I pulled her skirt up to her waist and she stretched out across the warm steel, moaning with anticipation.

I spread her feet wider with mine. Her round buttocks were parted for me, exposing her arse to my gaze and her soaking cunt lips opened around my three fingers, as I pushed them inside her, stretching her, causing her to writhe and push against my hand.

Her arse was open to me and I pulled my fingers out of her and started to feel around her anus, slicking her opening with her own juices. She made no move to stop me but kept pushing her bottom back, as if to beg for more. I unzipped my trousers and pushed them down, together with my pants, to my ankles. My cock was stiff. I pushed it against her, rubbing it over her crack and rose to her arsehole. I plunged my cock back into her cunt and fucked her until my balls were going

to burst and she climaxed noisily, bucking hard against me as she came. I managed to hold on through her spasms and pulled out of her. Then I started to tease her slippery asshole with my hard meat. Her slick anus opened like a flower as I pushed my dripping helmet into her pulsating asshole.

She gasped and called out, "Oh God, Philip, you're so big inside me. Please don't stop!"

I felt her arse open further as she relaxed and I pushed my length gently into her until my cock was buried in her up to my balls. She felt so tight as I slowly began to fuck her.

She pushed at me again and gasped, "It's fantastic, Philip, don't stop now. Fill me up! Just do it to me!"

I needed no further bidding. I held her by her curvy hips and fucked her with increasingly hard strokes, the flesh of her buttocks rippling as they slapped against my belly. She felt so good in there, I started to lose control. As my spunk finally jetted into her hot, tight tunnel, I felt her arse tighten around me and her whole body shuddered again in orgasm.

Then as my cock shrank, I gently pulled out of her. She lay across the bonnet, still breathing hard, allowing me to watch my spunk drip from her anal rose and ooze around her swollen, pink, shining cunt. *Phil, Kennett.*

We've seen some incredible arses here at Club over the decades, and I'm not just talking about the Editors, either (*Hey! – Ed.*), but there aren't too many of them that can stack up to Flick Hill's magnificent derriere! So does she consider it her finest feature?

"I don't know – it's not very easy to appreciate your own arse, is it? I mean it's nice and comfortable when I sit on it, so I haven't really got any complaints!"

Well if you want to sit on it now, we've got the perfect spot ready...

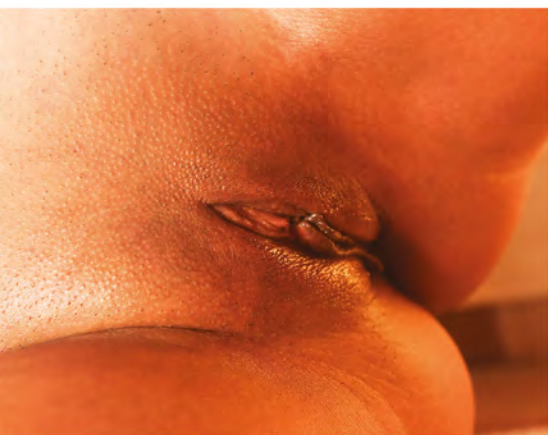

Health and well being are what ladies seem to be about these days. So when Amber Jayne and Christina Miller said they were going for a spa day together, we weren't surprised, but what happened in the sauna was wonderfully shocking! These horny devils were all over each other, tongues in and out of mouths and pussies; it was hard to keep up, even the photographer was having trouble keeping pace with these fine fillies. Luckily he managed to capture some of it for you, enjoy!

What our well-placed moles are telling us this month...

DOWN THE WIRE

Bully Beef!

Many of us are looking for love, and the online world can provide a host of opportunities to meet people. But, it is also a breeding ground for peculiarities and sometimes the unstable, as one gentleman from the millionaires dating site Luxy discovered. After one date with 31-year-old Jacqueline Ades, who thought she'd met "her soul mate", Ades proceeded to send 65,000 text messages, up to 500 a day, containing threatening

and Anti-Semitic sentiments. Ades was finally caught on security cameras taking a bath at her dates Paradise Valley home while he was out of the country. Police found Ades' car at the Valley residence with a large butchers knife on the passenger seat and charged her with criminal trespass.

This bunnies on the boil!

Grassed Up!

Substantial consumption of alcohol has been known to make people do things they would think twice of if sober. I think many of us can relate to having woken up the next morning to a kitchen full of cones, or a road sign causally leaning by the front door, but I doubt many of us have tried to mow the lawn. Especially not somebody else's. 46-year-old, Barry Ridge, was pulled over by police after a report was filed that Ridge had started mowing a resident's lawn without permission. Police noted Ridge's 'glassy-eyed' expression and breathalysed him, resulting in a positive result. Police impounded the ride on mower and arrested Ridge on a charge of OWI.

Bugger the motorbike!

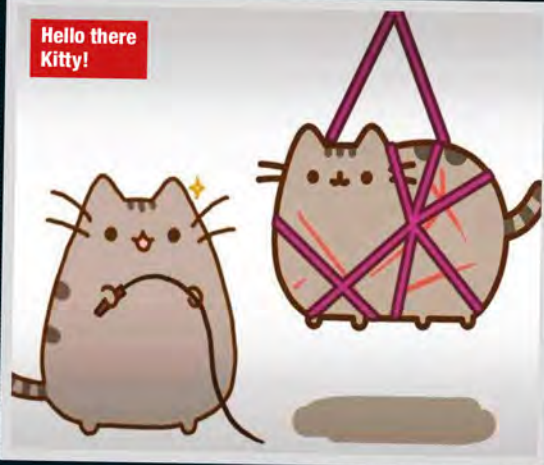

Tight Spot!

It's not just the police that like to use hand cuffs, after Fifty Shades of Grey, some couples have been injecting a little bit of colour into their relations. German Police received a call from a worried neighbour that described a scene of possible domestic violence involving two men abusing a half-naked woman. They rushed to the address where they found the tenant, a teacher of Japanese Shibari, midway through

instructing a class on erotic bondage. The Police reported that on enquiring everybody was in a good mood and that they were even offered the chance to join in, which they politely declined.

This month we were lucky enough to pin Jada Cameo down (not literally, though we have been dreaming about it) as this extra flexible lady gets herself into positions that involuntarily make us recall our chiropractor's telephone number.

We saw recently that someone has had you tattooed on their leg?

"Yes, they have! I must say it's not ever something I dreamt anyone would do; I'm completely flattered."

And what's all this I hear about dominatrix?

Jada laughs, "I did a little bit of Dom work when I was on Babestation, it was great fun and a total turn on!"

This month's cover girl certainly knows how to crack a whip!

A recent trip to a certain well-known strip club gave us ample opportunity to get to know the gorgeous Katie here, and after a few whistle wetter's we were feeling very merry in the company of this seductive blonde who had some delightful things to impart. Out of all the places to meet, why a strip club? "Don't you like what you see?" Being surrounded by scantily dressed shimmying women is our idea of a perfect night out. "Well, that's my idea of a great night out too. I love looking at women; it's a big turn on for me." Are you a bit of a bush tucker then? "Yes and no, I enjoy a woman, but sometimes I need a man too." Anybody would be lucky to get their hands on Katie is all we can say.

That pool looks extremely inviting, as does the gorgeous Olga.

We asked Olga if she enjoyed a dip on occasion.

"I don't mind swimming pools, but I really love swimming in the sea, I grew up close to a beach and would swim nearly every day. There something thrilling about sea swimming, I guess because you can't control the water, it more over controls you."

That's very true, so where you a bit of a beach girl growing up?

"I wouldn't say so, I didn't really go there to hang out, just to swim, but I did attend the odd wild party down there."

Wild parties are always the best parties!
